first I put a piece of bread in my pocket

then Iget Ignatz from the barn

bridle him

3

through the gate

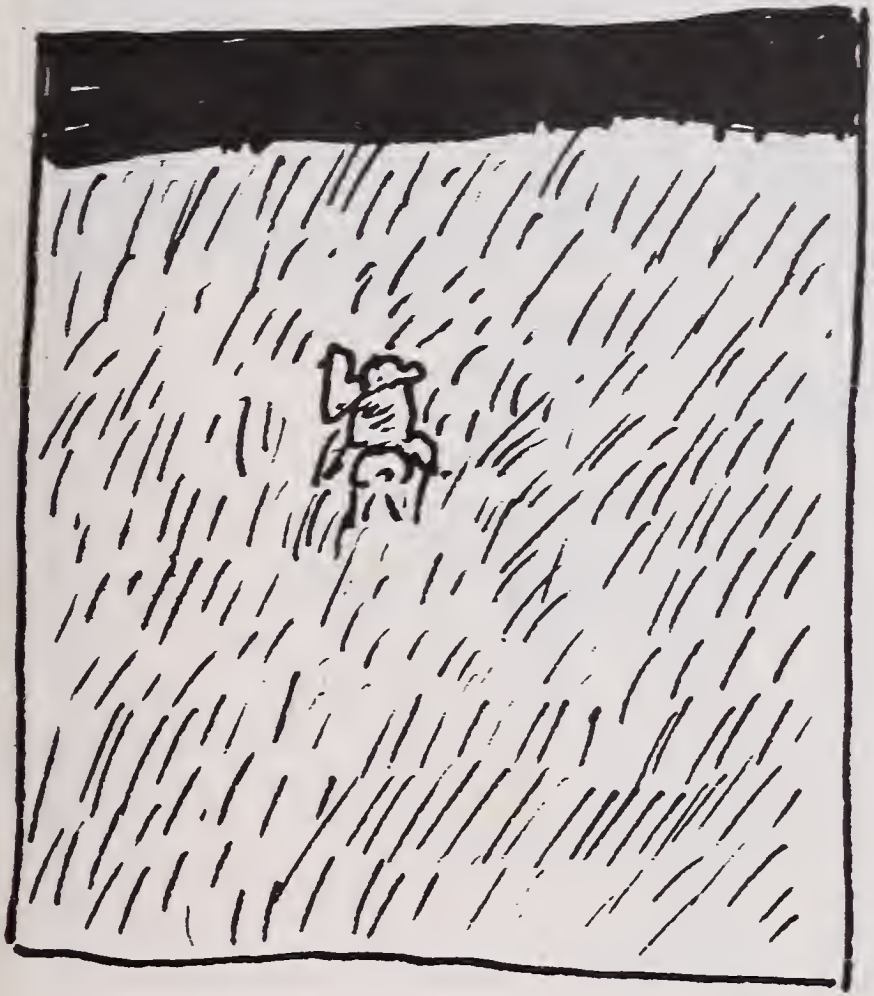
uphill

by the sugarhouse

by the old
maple trees

along the edge of the cedar-brush

into Russell Darling's big field



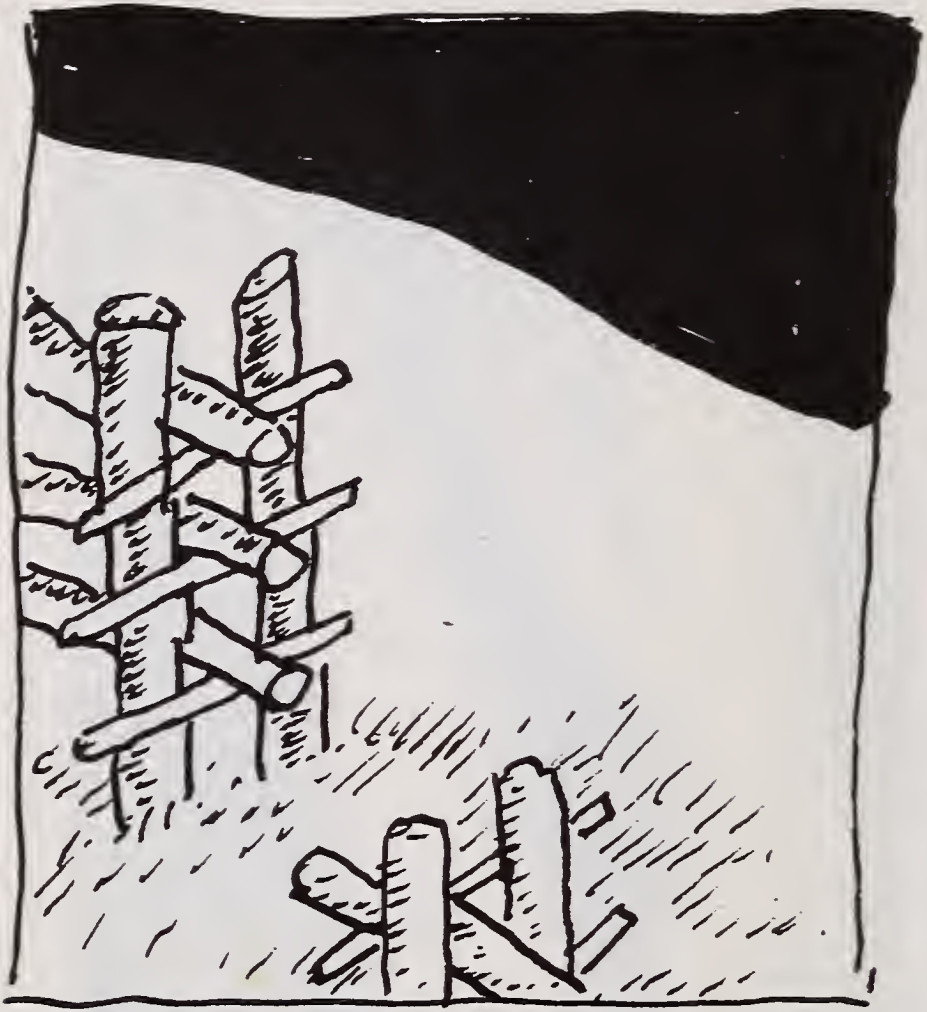
then down the Dexterhill road

by the side of the little cemetery

over the cornstubble

back through the sugarbush

back through
the gate



to the barnyard

and now Ignatz gets his piece of bread
